Mrs Helen Wheaton  
Teaching Assistant

The Reception Year team would like to give a warm welcome to all our new children and parents.....

In this newsletter we hope to tell you all of the important information you are going to need this term.

#### P.E. Days

**Mrs Allmark's class** Tuesday mornings for all children  
Wednesday afternoons for the full time children

**Miss Crosby's class** Thursday mornings for all children  
Wednesday afternoons for the full time children

**P.E. Kit** To begin with children will only be removing shoes, socks/tights and sweatshirts for P.E therefore no P.E kit is required just yet. We will let you know in plenty of time when kit needs to be brought. We are teaching the children to change independently and your help and support with this at home will be greatly appreciated.

#### Sweatshirts

Could you please make sure that all of your child's sweatshirts have their name in. Without names it makes it impossible for us to return sweatshirts to the correct owner.

#### Water bottles

Please ensure your child has a water bottle with them each day that is named. This should be in addition to the drink they bring for their packed lunch. Bottles are kept in the classroom so that children can take a drink whenever they are thirsty. These bottles are for water only and must not contain squash or juice. However fruit drinks are fine at lunchtime but no fizzy drinks please.

*Thank you for all the positive comments we have had so far from yourselves and the children as well. It is nice to know that things are going well and of course this makes all the hard work put in worthwhile.*

*Mrs Louise Allmark*
